

# Tambour cabinet

## Introduction

The Firstline Tambour cabinet is cleanly designed with slatted tambour doors that retract into the side of the cabinet. This space efficient idea ensures office aisles are always door free.

## Features

- All steel construction with adjustable shelves and durable oven baked powder coat finish with 3 year warranty.
- Secure 2000 Series locking system, complete with barrel exchange capability provides peace-of-mind that items stored will be kept safe.
